

My Little Talks  
with Jesus

# My beautiful creation

Isn't My creation beautiful? I made it all the swaying trees and the colorful flowers, the majestic mountains and the mighty ocean, the tiniest insect and the largest whale.

Best of all, I made you My most precious creation!

I made this world for you to enjoy. The next time you admire something in nature, think of it as a reminder of My love for you. I created everything around you because I love you and want you to be happy.

*God made the birds, flowers, and honeybee!  
He made everything to make you and me happy.*
