

ONE KIND DEED AT A TIME CARE FOR OTHERS

Caring for others is one way to show kindness. Even though you may be little, there are still ways you can show you care. For example, care for your pets well, help your friends, and take care of your community. Look around for ways that you can show your care for others, and then put it into action.

"MOST IMPORTANT OF ALL, CONTINUE TO SHOW DEEP LOVE FOR EACH OTHER" (1 PETER 4:8 NLT).

Kind deed ideas:

- Be diligent in caring for your pets.
- Look for ways to care for your environment—clean up after yourself, don't litter, and take care of community property.
- If someone makes a mistake, show you care by not getting upset, and look for a way to make it right.
