

## ONE KIND DEED AT A TIME HELP OUT

There are many ways that you can help others throughout your day. Look for ways that you can help your parents around the house or your teachers at school, and see how it brightens their day. Even the small things you do can make a difference!

**"DO EVERYTHING IN LOVE"**  
(1 CORINTHIANS 16:14 NIV).

### Kind deed ideas:

- Help with an extra chore in your home.
- Ask your teacher if there's something you can help with in your classroom.
- Be cheerful the next time you're asked to help out.
