

HOW CAN YOU MAKE A DIFFERENCE?

Everyone can make a difference, even you! You can help make the world a better place. The best way to start is to find out where you can lend a hand, who needs your help, and what you can do to make someone's day better and happier.

There is always something that you can do in your part of the world.

Hmmm, I wonder if that's something I could do?

You can encourage others to help make a difference too.
When others see how happy helping others makes you, it encourages them to do the same.

'I tell you the truth, when you did it to one of the least of these my brothers and sisters, you were doing it to me!' (Matthew 25:40 NLT)

¹ Mother Teresa (1910–1997) was a Catholic nun who established the Missionaries of Charity, and devoted her life to helping the poor, sick, and needy of Kolkata, India.

Together you can change the world. You may not see a big difference right away, and it is something you have to keep working at a little every day, but change can happen. Your part makes a difference! You can brighten someone's day, make someone feel better, and give to those in need.

² Aesop

Ask your parents if there are ways you can help out in your community. It will take effort, but as the saying goes, "No act of kindness, no matter how small, is ever wasted."²

You can do it—you can make a difference!
