

# LITTLE THINGS MATTER

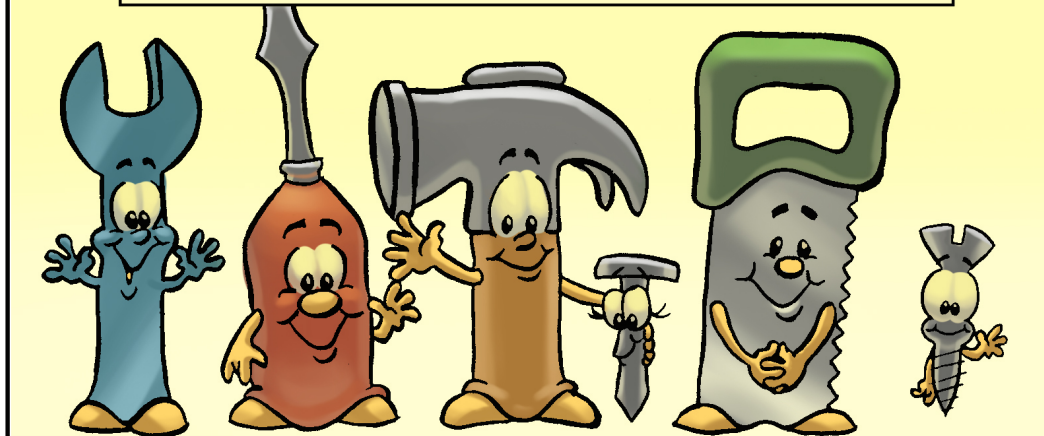

BUT A HAMMER ISN'T USEFUL WITHOUT A LITTLE NAIL. THE NAIL IS NEEDED TO HOLD THINGS TOGETHER.

IT TAKES BOTH A HAMMER AND A NAIL TO GET THE JOB DONE. BOTH ARE NEEDED AND IMPORTANT.

JUST LIKE DIFFERENT TOOLS ARE NEEDED TO GET DIFFERENT JOBS DONE, EVERYBODY HAS SOMETHING SPECIAL THAT CAN BE USED TO HELP OTHERS. NO MATTER HOW LITTLE YOU ARE, REMEMBER THAT EVEN LITTLE THINGS HAVE A PART TO PLAY!

If you ever wonder if you're too small to be of help to someone, remember that there are many small things that make a big difference.

- A little bee has an important job of helping to pollinate plants.
- A little acorn can grow into a large oak tree.
- It takes many tiny grains of sand to cover the beaches, and many small nails to build a big house.
- A little smile can brighten the hardest of days.

Little things matter!

Even if you are small, you can make a difference. Look around and see what you can do to bring a little bit of cheer, happiness, help, and love to someone else. Say a kind word, be thoughtful in your actions, and show others you care. All of these little things are important, and so are you!
