

# A GOOD SHEPHERD

Jesus once told a story about how a good shepherd cares for His sheep.<sup>1</sup> He takes them to green pastures, protects them from dangers, and makes sure that they are well cared for.

Jesus is our good shepherd, and just like a shepherd takes good care of his flock, Jesus takes good care of His flock—His children. He loves and cares for His little ones. And because He is good to His children, they in turn love and follow Him.

---

You are one of Jesus' children; He loves and cares for you. His Word can teach you what is good and right, and as you follow and listen to His voice, He can take good care of you. The closer you stay to Jesus, the easier it is to do what is right.
