

ENERGIZED WITH GOD'S POWER

Reading God's Word, praying, and giving thanks are ways you can draw closer to God. Your spirit becomes energized when you spend time with Him.

God's Spirit makes us loving, happy, peaceful, patient, kind, good, faithful, gentle, and self-controlled (Galatians 5:22-23 CEV).

You feel His presence, and your heart is filled with peace and joy.

Just like drinking water quenches your thirst, spending time with God refreshes your spirit.

Others can also see the peace and joy that God brings to you because you shine with His power.

When you take time to talk to God, you get to know Him better.

HAVE YOU SPENT TIME WITH GOD TODAY?
