

SAY IT WITH AN ACTION

Kindness is a way I can be
Jesus to others,
To bring joy and cheer to
my sisters and brothers.

I can show kindness in the
things I say and do.
Through my actions I am
saying, "I care for you."

I am not too little to be
kind—to be a friend.
I try always to be willing a
hand to lend.

What can you do to show
someone you care?
Say it with an action or
even a smile to share.
