

**INVISIBLE,  
BUT  
HERE!**

This invisible person can see the future and understands the past.

He can help solve the problems you encounter, and He can help you make plans for the future.

I enjoy  
being here  
with you!

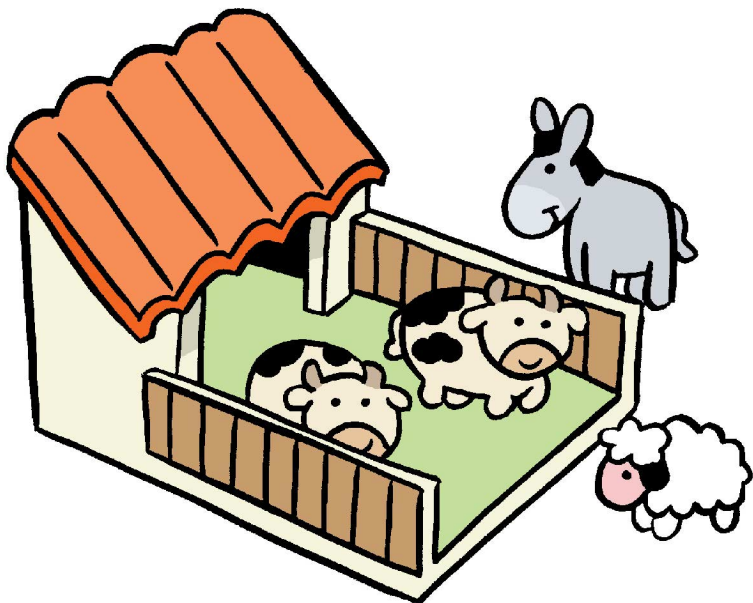

That invisible person is Me—Jesus! Once you have asked Me to be with you, I'll always be there for you. I will be your best friend and someone who lovingly cares for you.

Even though I'm invisible, you can talk to Me. You can tell Me about things that you are happy about or things that are troubling you.

You can ask Me questions or simply talk to Me as you would a friend.

When you talk to Me you don't always have to talk out loud. I can hear you when you speak out loud, and I can hear you when you are only thinking about what you are telling Me.

And if you listen  
I will often have  
something to tell you  
in return.
