

# Taste <sup>the</sup> Joy

“Taste and see that the Lord is good!”  
(Psalm 34:8 KJV).

Mmm,  
yummy!

When you praise Jesus, He gives you happiness.

It's a little bit like when you take a bite of food and you taste the flavor. When you praise Jesus, you taste the joy of His love.

Jesus,  
thank You for  
making me  
happy!

When you  
praise Me, I can fill  
your heart  
with joy.
