

**WHERE DID GOD
COME FROM?**

Maybe some
other powerful
being made God?

But then
wouldn't that
powerful being
be God?

Let's find out
what the Bible
says about this.

One time, while offering praise to God, Moses expressed that God has no beginning or ending.

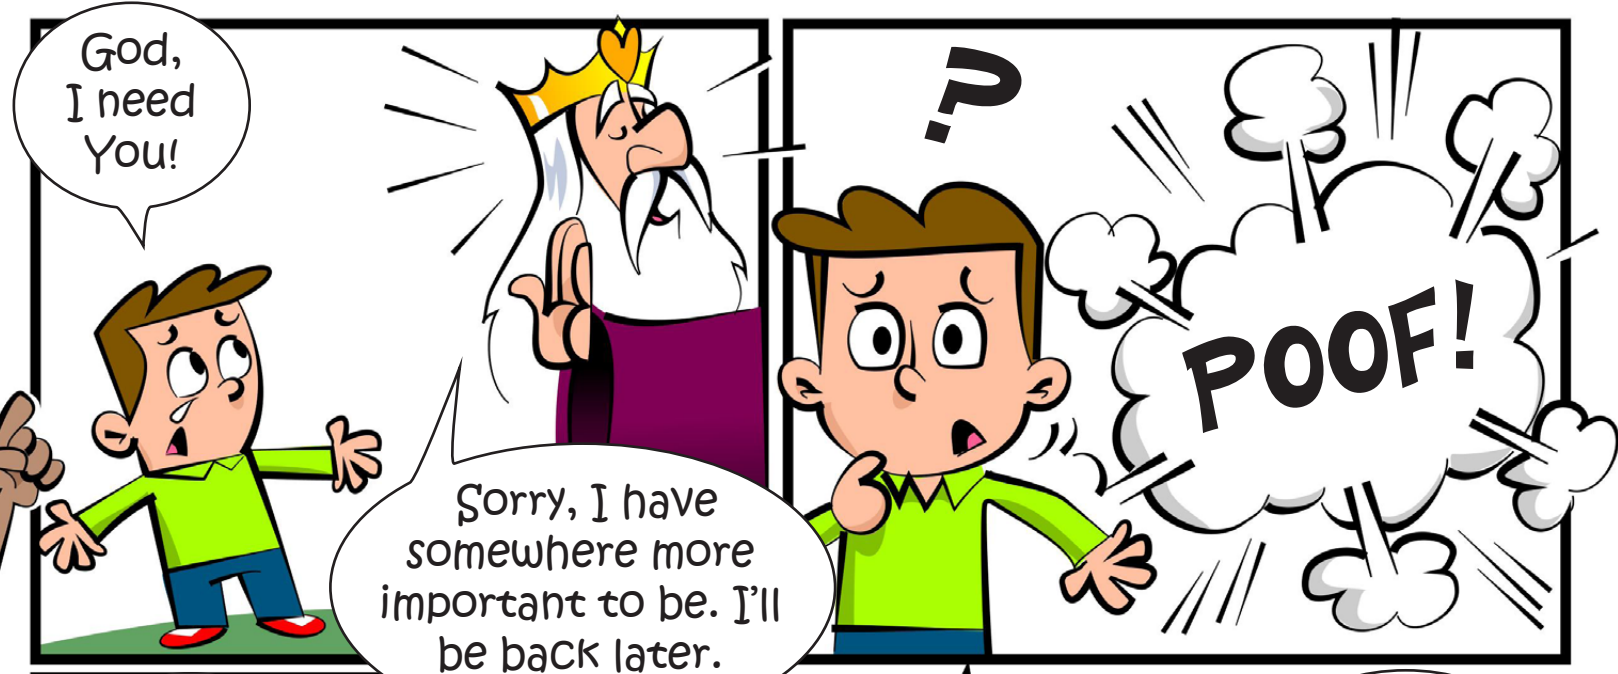

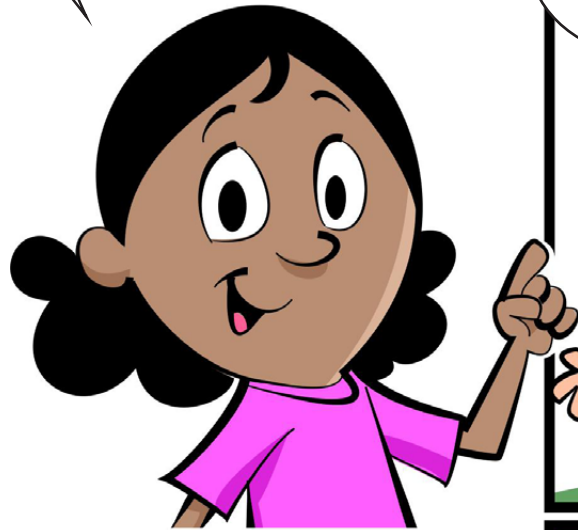

Before the mountains were created, before the earth was formed, you are God without beginning or end.¹

God has *always been* and will *always be*!

God won't leave us on our own. That is *not* how God is.

I'm glad God will always be in existence and won't ever disappear!

God loves us; He is concerned about us. He is there whenever we need Him.

Paul tells us that God “can never die” (1 Timothy 6:16 NLT). God is immortal, which means He will live forever.

“Now unto the King eternal, immortal, invisible, the only wise God, be honor and glory for ever and ever” (1 Timothy 1:17 KJV).

The God of
love will always
be there for us!

**THE
FUTURE!**
