

In Our Tent

Wherever you are, even if you're in the middle of a busy room, if you want to talk to Me privately, you can ask Me to pitch a tent over the two of us.

This invisible tent can be our personal, quiet space, where we can talk and be together. I'll help you to shut out everything else that is happening around you while we spend time together. It will be just you and Me.

This is Fun! I treasure My personal time with you, because we're best Friends.

No matter what else is happening, I love being with you. I'm always right there with you.

Promises from God's Word

I am with you at all times. (Matthew 28:20, paraphrased)

Never will I leave you. (Hebrews 13:5 NIV)
