

You Are God's Ray of Light

You are My ray of light! You shine and sparkle My light onto others, and this makes Me happy!

A message from Jesus:

Thank you for letting Me use you to bring happiness to others. I need you so much; you are a star in My crown. I'm very proud of you.

Each time you smile at someone else, you are smiling at Me. What you do for others, you are doing for Me.

Sometimes you may not feel like being cheery, because you're sad or having a rough time. Don't forget that I can bring happiness and cheer back into your life in an instant. I love to brighten your day and add that special magic

that makes everything seem so much better.

An easy way to lift your spirit is by praising Me. Your praises draw Me to your side, and then I am able to give you whatever it is that you need. If you need a hug, I will

wrap you in My arms and cause you to feel My love. If you're feeling sad, as you praise Me I can replace those feelings of sadness with joy. When you praise Me, I am able to give you whatever you need!
