The Parable of the Alert Servants
Mark 13:34–37

A merchant is going on a long journey and asks his servant to care for his bug collection. The servant must feed the bugs in the jar daily and make sure that they don't escape. The merchant gives his servant two words of advice. To find out what these words are, look for the row of snapshots in the bigger picture, then write down the letter that corresponds to the square where the snapshot is found.
