

Rejoice in How God Has Made You

Many people have things about themselves that they wish were different. For some it may be something to do with their physical appearance.

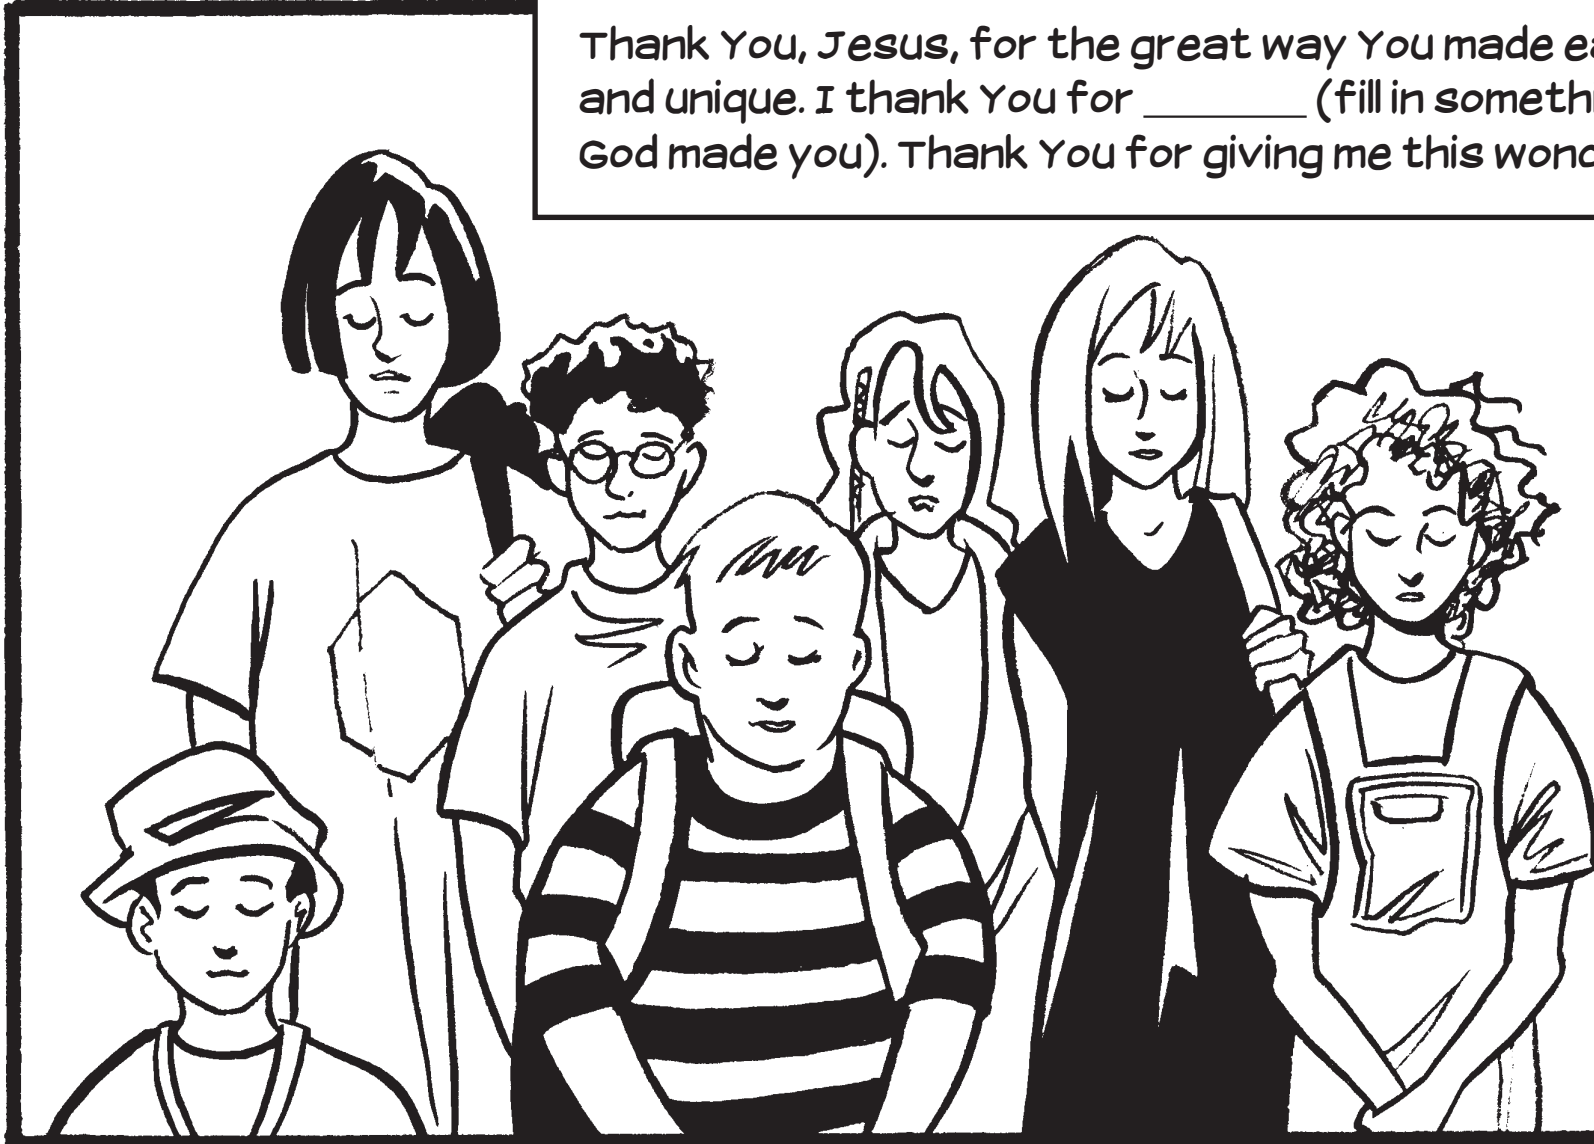

With others, maybe there is something about their talents or personality they worry about. Some people wish certain talents would come more easily, or maybe they don't feel very smart. Some people make friends easily, while others are shy and awkward around people they don't know.

We each have unique differences, but no matter what our characteristics or skills, we are each special to Jesus. He loves us for who we are, and as we are!

Here's a prayer you can pray to show thankfulness for how God made you:

Thank You, Jesus, for the great way You made each one of us special and unique. I thank You for _____ (fill in something unique about how God made you). Thank You for giving me this wonderful life."

"I will praise You; for I am wonderfully made" (Psalm 139:14, paraphrased).
