The Parable of the Lost Coin

Read about this parable in Luke 15:8–10.

Please help me find my lost coin!

How many times can you find the word "coin" in this word search? Once you've discovered the number of times that the "coin" appears in the word search, you are closer to solving this mystery. Circle the planet with the same number in its name—which is where the missing coin can be found.

Find the ten differences.
