

A Gift That Grows!

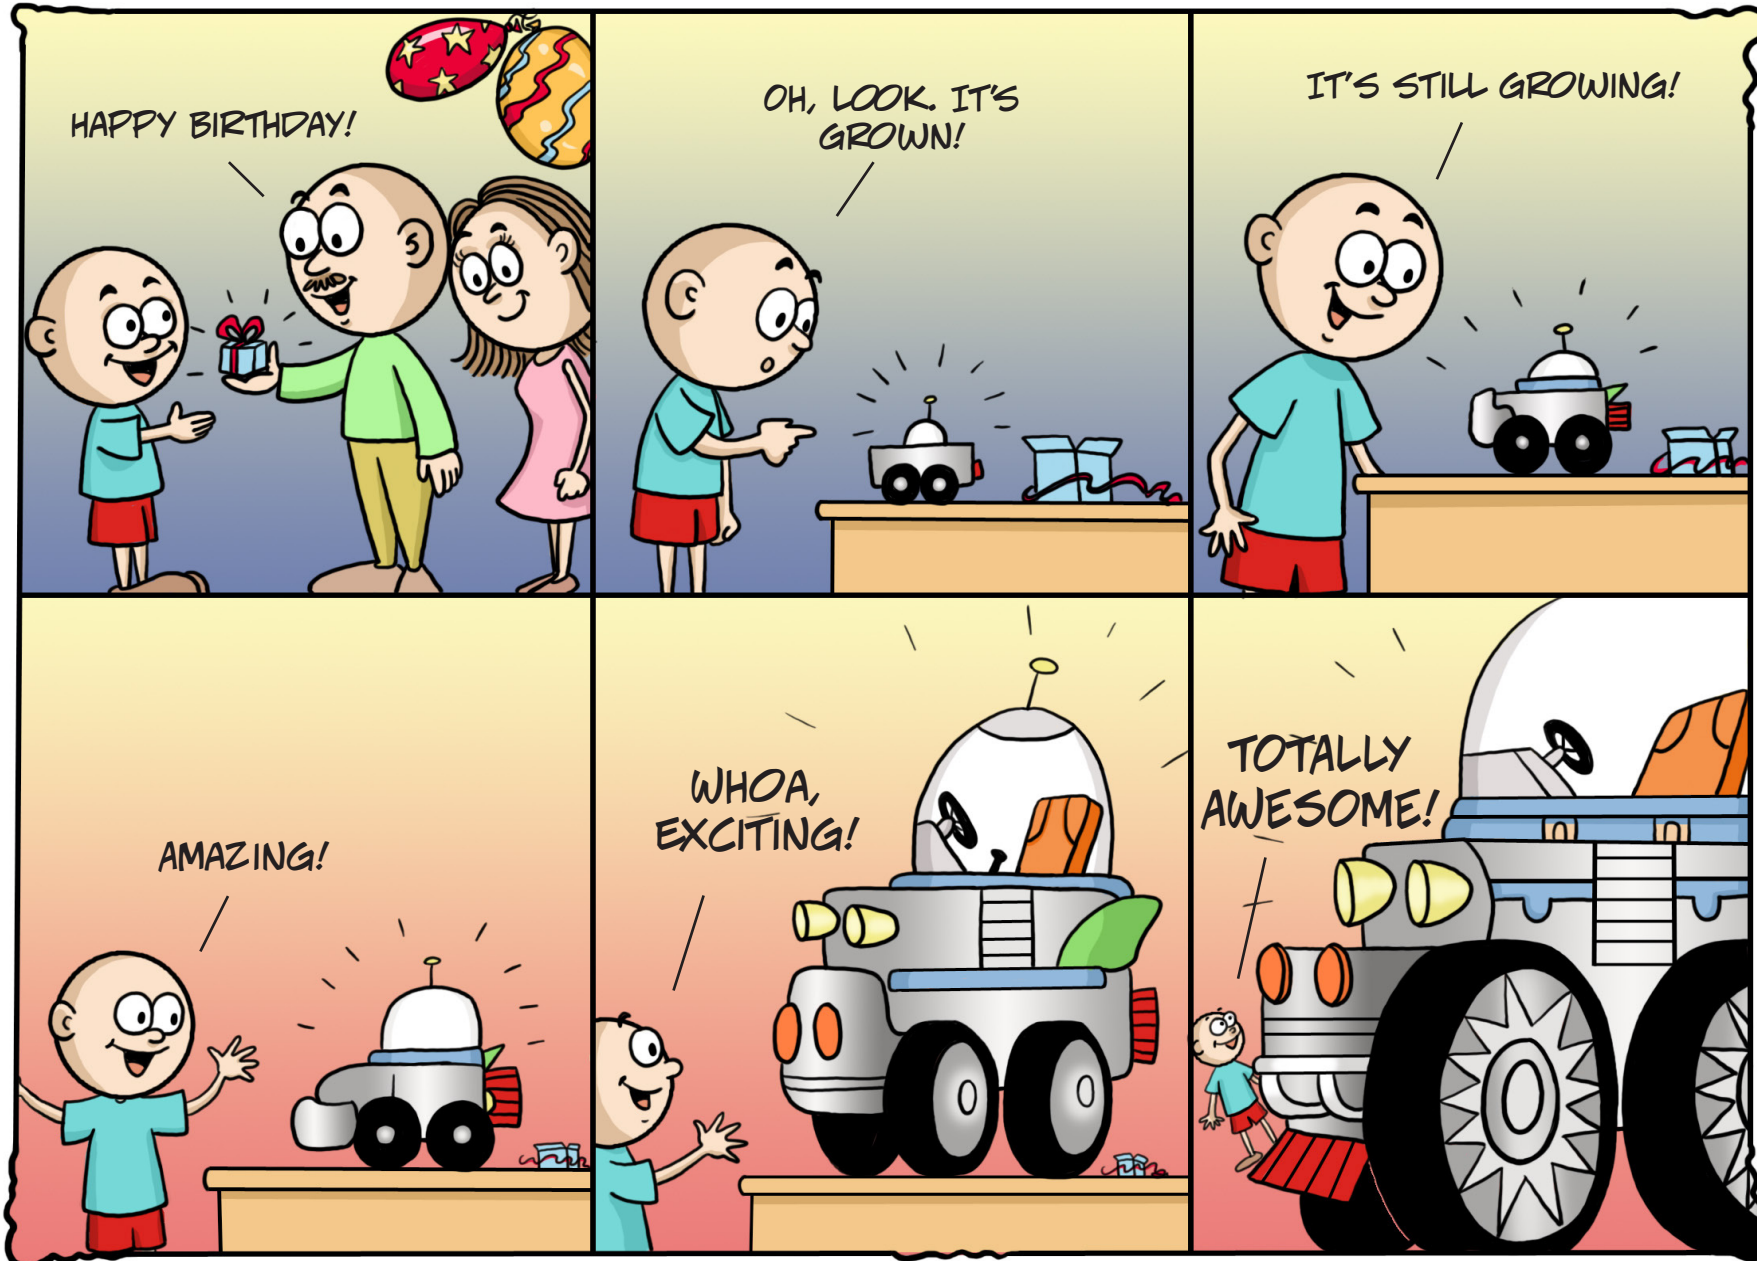

When someone learns of God's great love for them, and accepts Jesus into their life and the gift of salvation He offers them, that person has begun a fantastic relationship with God. He or she can then continue to learn more about Jesus and have a wonderful friendship with Him for eternity.

After a person accepts Jesus into his or her life, he or she can get to know Him better through prayer and studying the Bible. That loving relationship and friendship is then able to grow and grow. It's a friendship that will grow eternally.

That's one marvelous gift!

Just think what it would be like if you were given a present that over time developed into a better gift than what it was originally.

A greater and improved friendship is available for each person who comes to know and follow Jesus. Once someone has received Jesus and His gift of salvation, and then takes time to read the Bible and to pray and get to know Jesus better, that friendship will grow into an even more splendid gift!
