Please help me build my house of skills  
With foresight and persistence,  
To not be sidetracked by cheap thrills  
Until I've run the distance.

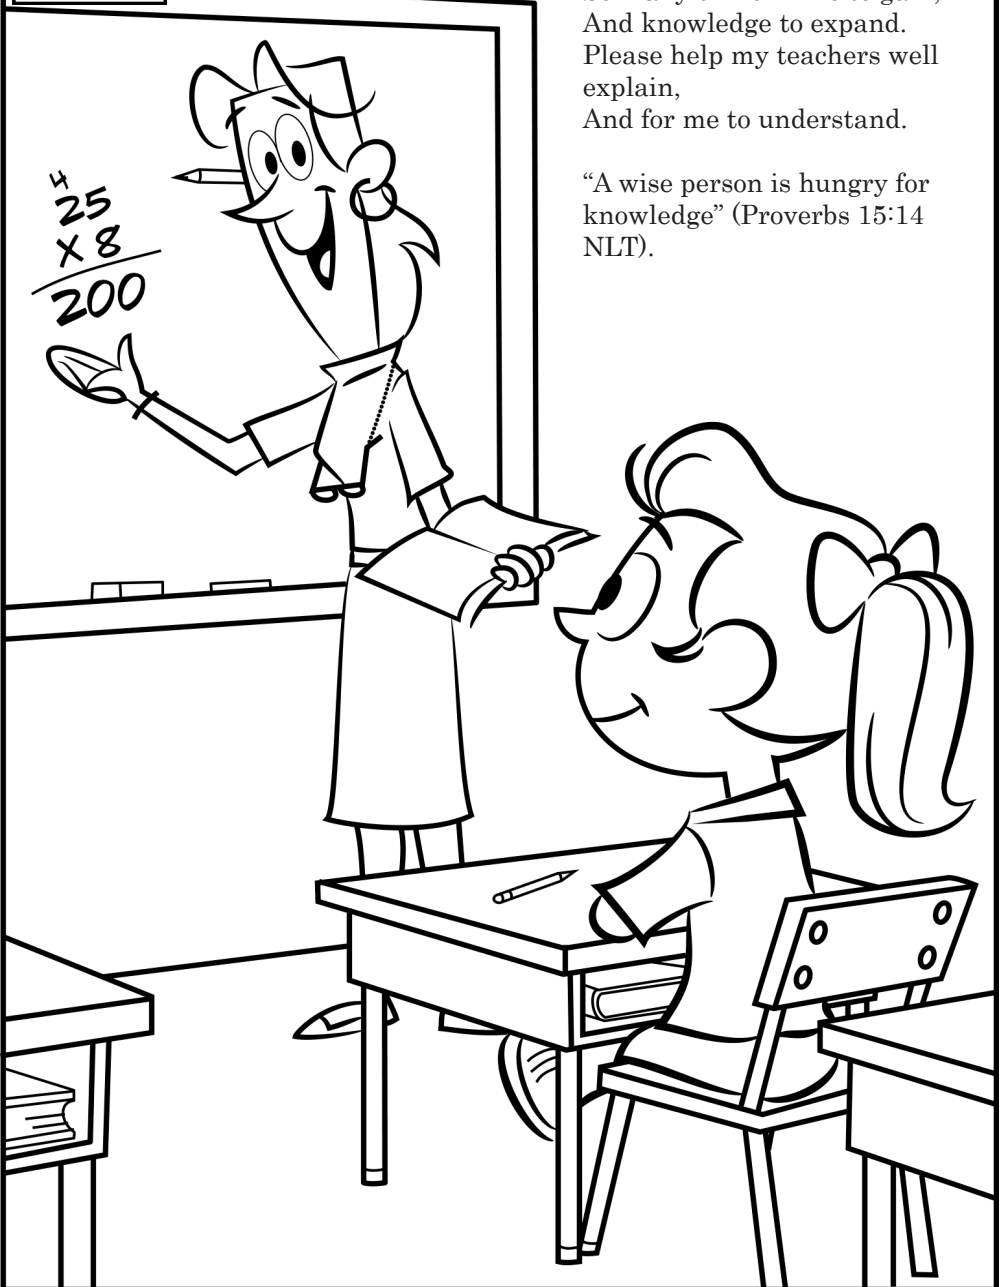

"I can do everything through Christ, who gives me  
strength" (Philippians 4:13 NLT).

So many skills in life to gain,  
And knowledge to expand.  
Please help my teachers well  
explain,  
And for me to understand.

"A wise person is hungry for  
knowledge" (Proverbs 15:14  
NLT).
