

THINK TO JESUS

A Message from Jesus

I want to be a closer friend to you. I want to always be present in your mind, in whatever you do. Consider this to be like thinking. You think all the time, don't you? Well, think to Me instead of only to yourself.

Every time you're thinking, it's like you're talking to yourself alone in a room. But I'm right there with you, too, and I would love to be in on your thoughts, your imaginations, or whatever else you're thinking about. All you have to do is remember to include Me in those thoughts.

Initially, you may want to direct your thoughts to Me, but once you get used to the fact that I'm always there with you, you don't even have to say My name; just talk and listen. We're both there, and we both know who we're talking to. It's that simple.

Take a minute now to chat with Me. Ask Me a question or tell Me something, then stop and listen to what I say.
