

I argued with my brother,
Then I argued with my friend.
Help me care more for others,
Make understanding my new trend.

“Let us pursue what makes for peace”
(Romans 14:19 ESV).

If I push to have my own way,
It can make another sad.
Teach me to think of others' needs
And how to make them glad.

“Let each of you look out not only for
his own interests, but also for the
interests of others”
(Philippians 2:4 NKJV).
