

BE AN EXAMPLE OF JESUS!

You can show Jesus to others every day.

You can be an example to others of His loving and considerate ways so they can learn about Him through watching you.

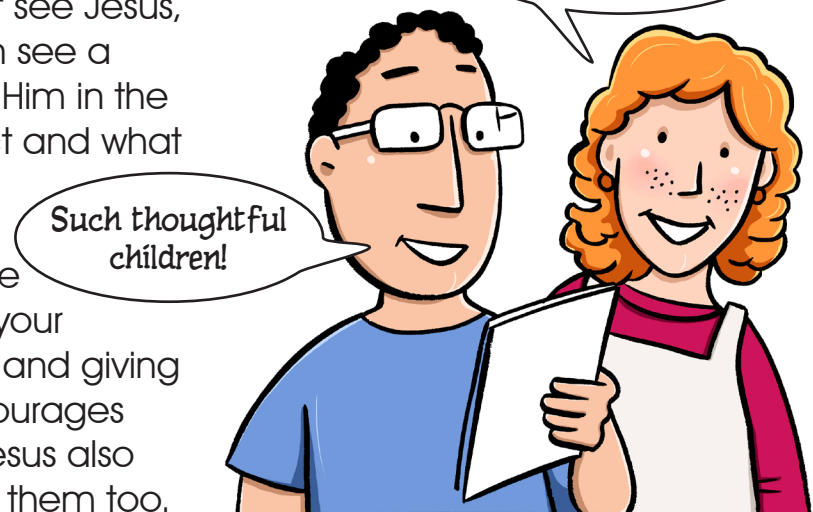

When you are polite, kind, and friendly, you show people a sample of what Jesus is like.

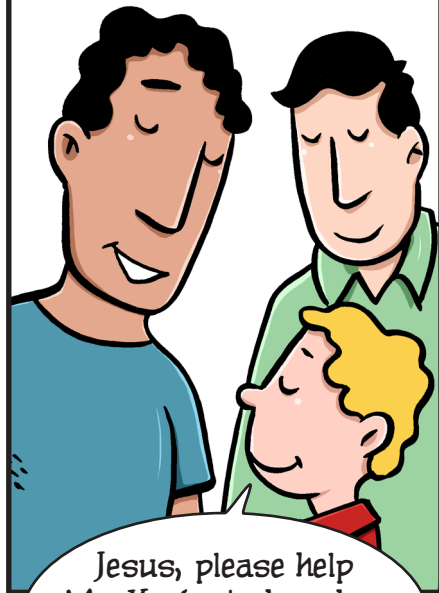

People can't see Jesus, but they can see a reflection of Him in the ways you act and what you say.

When people experience your considerate and giving ways, it encourages them that Jesus also cares about them too.

Another way you can bring Jesus into more people's lives is by praying for others.

Jesus, please help Mr. Xavier today when he teaches the village children about You.

Thank You for helping Mr. Thomas when he delivers the food to the needy today.

Through your example and prayers, you can be God's gift of hope and love to others!
