

I MADE IT ALL FOR YOU

A MESSAGE FROM JESUS:

"In the beginning,
God created the
heavens
and the earth"
(Genesis 1:1
ESV).

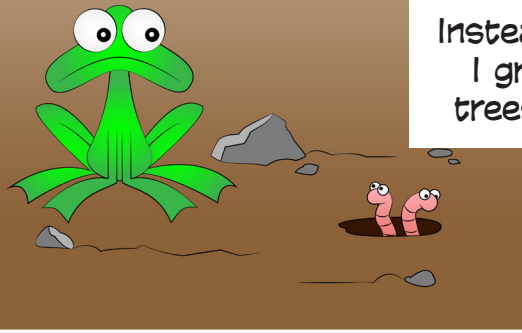

Instead of a colorless sky,
I made a sky of various
shades of blue and gray.

Instead of pouring rain down
from buckets in the sky, I send
it as a shower from clouds.

Instead of only plain dirt or mud,
I grow beautiful green grass,
trees, and bushes in that dirt.

And as if that's not
enough, I often add
flowers too.

Instead of only black darkness
at night, I created the twinkling
stars and a beautiful moon.

These wonders of My
creation are My gifts
of love to you!
