

Read the story about a young servant girl who God used to bring the message of His healing touch to a Syrian military leader, Naaman, in 2 Kings 5:2–15.

Naaman, the commander of the Syrian army, was very sick. The servant girl explained to Naaman's wife how God could heal him.

I am the Israelite girl who served Naaman's wife.

Faith-filled Models from the Old Testament:
**Israelite
servant girl**

The servant girl didn't know if Naaman's wife would appreciate being told about God, and it took faith for the girl to talk to the wife about how God could heal her husband.

The good news is that the wife believed the girl and told her husband. Naaman sought out God's prophet, Elisha, for help. God healed Naaman when he traveled from Syria to the Jordan River and washed there as the prophet Elisha instructed him to do.

God completely and miraculously healed him!

Jesus can also help you tell others about what He can do for them!
