

JESUS AND PLAY

Here's something for you to think about.

At one time in His life, Jesus was also a child. He had parents who loved Him and raised Him well. He probably enjoyed interacting with His father and mother, much like you do.

Think about a time you recently did something fun with your father or mother. Now imagine Jesus enjoying time with His parents.

You can read about Joseph and Mary's devotion to raising Jesus in the Christmas stories of "[A Man Named Jesus.](#)" Also, the story in Matthew 2:13–15 about Joseph obeying the warning of a dream to flee to Egypt in order to protect Jesus.
