INSTRUCTIONS:

The object of the game is to be the first to finish the race.

Roll the die and move ahead as many spaces as the number on the die indicates. Each time a player lands on a book, the player must return to START. Exception: If the player has previously landed on one of the characters, in that case the player should return to the last character he or she landed on instead of returning to START.

Two or more players may share a space. A player is allowed to jump over other players. An exact roll is needed to land on the FINISH space and win the game.
