

# Let It Pass

Truly great folks never stoop  
To answer petty<sup>1</sup> things;  
The unkind word, the bitter cut  
That rankles deep and stings.

They are too big to notice them,  
They simply pass them by,  
And even with a smile sometimes  
Or a twinkle in the eye.

HA, HA! YOU'RE  
SO CLIMSY!

I WILL NOT  
STOOP TO ANSWER  
PETTY THINGS. ...

<sup>1</sup> petty: something with little importance or value

For they have found that after all  
'Twas better in the end  
To meet it with a smile, and then,  
Just let it pass, my friend.

HI, TROY.  
WANT TO PLAY  
WITH ME?
