

Your Praises Make Me Glad

I love to hear your sweet
praises of thankfulness.
Praise makes Me so happy.
I love to give you blessings,
and it makes Me so glad
when you thank Me for them.
It makes Me feel like giving
you lots and lots more!

Have you ever given someone a present? Were they happy, and did they thank you for it? Did their appreciation make you feel like giving them more presents? But what if you gave someone a present and they didn't thank you? You would feel sad, wouldn't you?

It's the same with Me, so praise Me and thank Me for the many blessings and gifts I fill your life with!

THANKS FOR THE
RAIN, JESUS!

You have so much to be thankful for if you'll just look around—even all of My creation is a gift I have given to you to make your heart glad! And if you sometimes feel like you're under a cloud of sadness, just start praising Me for the good things I bring into your life, and you'll be surprised at how much better you feel.

I love you, My dear one. Your praises make Me so happy. They'll make you happy too, so keep praising!
