

Write a Psalm

In your own words and from your heart, write a psalm of praise and love to Jesus. Tell Him how you feel about Him. Tell Him what He means to you. Let Him know what you love about Him, and why you strive to follow His Word. You could even start your own book of psalms that you add to during some of your times with Jesus. These psalms can be long or short. What matters is that they are your personal words of praise to and love for Jesus.

*I will sing Your name [strum...] for lo, it is as
sweet as honey to my lips. ...
[strum, struumm...]*

Don't worry if you don't feel eloquent enough. The words that come from your heart are what matter most to Him!
