# A CARING SHEPHERD

Jesus is a loving and caring shepherd.<sup>1</sup> I am His little lamb.

A little lamb is sometimes curious or even naughty and might wander away from the shepherd. A good shepherd will find that lamb and bring it back to the safety of the fold. Sometimes I too stray away from the things that Jesus wants me to do. Jesus will lovingly call me back and help me do what's right so that I can stay closer to Him.

I am glad to know that Jesus cares for me. He keeps me safe. I need to stay close to Him and follow where He leads me. I do this by studying God's Word and living like Jesus wants me to.

When I am a good follower and I do my best to be a kind and caring person, I become a little more like my caring shepherd, Jesus.

<sup>1</sup> See Psalm 23:1.
