

GROWING STRONGER IN FAITH

Spending time with Me through prayer and studying My Word is how to grow your faith.¹ Having faith in Me and knowing My Word makes it easier for you to trust Me to care for you and to experience the joy of My love for you.

Studying about Me and My Word with others is a good way to grow in faith together. You can help each other know more about Me.

¹ See Romans 10:17.

Prayer is a way
to talk to Me.
It is a way you
can express
your gratitude,
your concerns,
your needs,
and even your
hopes and
dreams. Prayer
draws us closer
to each other.
You can talk
to Me through
prayer at any
time of day.

It makes Me
happy to see
you growing in
faith because
it helps you to
feel confident
in My love and
care for you.
