

JESUS AND ME

THROUGH EVERY STORM

When lightning flashes bright, thunder rumbles with a roar, and you are frightened, don't worry! Everybody feels afraid sometimes. But if you are frightened, just remember that I am right next to you. I will always be near you.

I can bring you calm and comfort to replace your fear, and I will hear you when you call Me. If you're feeling a bit scared, talk to Me, and let Me comfort you. Imagine that you can reach out and hold My hand and hold onto Me. I'll be with you through every storm.
