

CHRISTMAS THOUGHTS

A Message from Jesus

Imagine that you were one of the shepherd boys keeping watch over the sheep the night the angels came to announce My birth. How do you imagine you might have felt when you saw the sky light up with angels singing a beautiful song? What words do you think would describe your feelings?

Now, picture yourself running to the manger where I lay. What would your first thoughts be at seeing Me as a baby? What would you do or say? Think about that for a little bit as you let your mind wander back to that first Christmas when joy came into the world.

Remember the star that led the wise men to Me? I am your personal star, and whenever you feel lost or alone or misunderstood, whenever you feel sad, when things look unfair or when you want to feel close to Me—look up.

Just as My star shone for the wise men and led them to Me, I promise that whenever you look up, I will always be there to lead you, guide you, and comfort you.

Christmas is My special time to remind you about how much I love you. That's the real "magic of Christmas," because My love for you is like magic. My magic love can turn a bad or sad day into a good and happy one.

When you are frowning, My magic love can make you smile. And if you are crying, My magic love can wipe away your tears and wrap you up in a nice, warm hug.

Christmas is all about love, and that's why I want people to celebrate Christmas—so that they can remember My love.

I love you! Happy Christmas, My dear children!
